

Zoning Meeting for Next Thursday

ORINDA SUN

Formerly Boulevard News

VOL. V, NO. 49 LAFAYETTE — ORINDA CALIFORNIA — FRIDAY, JANUARY 23, 1948 5 cents

Infinite care and varied treatments are prescribed for the many Contra Costa County infantile paralysis patients receiving post-polio aid. The March of Dimes maintains two Treatment Centers at Walnut Creek and Richmond where patients obtain weekly instruction, care, treatment, exercise and massage. Above,

left to right, Mrs. Alfred Derrick and Nurse Dolores Daniels are applying a leg support on Mrs. Derrick's son, Richard, age 6, who was stricken in 1943. He is rapidly recovering the use of his limbs and may soon be playing actively outdoors. The Derricks live in San Pablo.

Planning Commission Schedules Final Hearing on Orinda for February 9

Better Business Association Works On Patrol Service

The Better Business Association authorized the Hitchcock Patrol service to make a survey of business establishments in Orinda at its meeting Tuesday noon at Casa Orinda.

The Contra Costa Patrol service recently conducted a similar survey of local merchants concerning plans to provide a night police protection system, according to President Paul Pease.

At its next meeting, the Association may decide which patrol service will be asked to take over the Orinda job.

Details in carrying out the affiliation program with the Retailers Credit Association of Alameda County will be handled by the Board of Directors. The Association approved this affiliation at a recent meeting.

Mr. Pease represented the group at the zoning meeting Wednesday night.

Association members are now eligible to enroll in the Blue Cross Hospital plan. Applications should be made out and returned to the association office by January 30, secretary Clarence Betz said.

The business directory for merchants in Orinda is in the process of preparation and will be issued before the February meeting, Mr. Pease reported.

Next Monday evening at 8 o'clock at the Grammar School Orindans will gather to discuss local zoning needs and related problems in a community-wide meeting sponsored by the Orinda Association, it was decided at a group meeting Wednesday night.

The second and perhaps final zoning hearing to be conducted by the County Planning Commission has been scheduled for February 9, according to Thomas Heaton, county planning technician.

Last Wednesday night The Orinda Association Board of Directors and its Civic Affairs Committee met with some representatives of neighborhood improvement groups in an attempt to determine what Orinda wants and needs in zoning. Only a few organizations weren't represented.

TO BE DISCUSSED

The decisions and opinions presented at this meeting will be considered at the general session Monday night, according to Clarence Betz, Association secretary.

The purpose of the meetings is to crystalize Orinda's thinking on zoning so that something concrete can be advanced at the zoning hearing in February.

Delegates at Wednesday's meeting were in favor of restricting Orinda's business zone to the existing area. Most of those present felt that the Village and the Crossroads business sections, plus the lots within those areas not yet occupied, are sufficient for Orinda's needs.

URGES EXTENSION

Paul C. Pease, president of the Orinda Better Business Association, spoke in favor of an extension of the Village business area across the bridge in the vicinity of the Bridwell real estate office.

The delegates suggested that the business section as recommended by the county planning commission be reduced.

Most of the representatives from the neighborhood improvement groups asked that the minimum size of residential lots be made large than proposed by the planning technicians.

At the future meetings everyone will be able to express his opinions on these subjects.

Lack of Water Hinders Firemen

Residents of Canyon today are reiterating their demand for water service from the East Bay Municipal Utility District following Tuesday night's disastrous fire which demolished the home of Guy A. Holmes.

Despite the efforts of 25 fire fighters from Canyon, Orinda and Lafayette Fire Departments and many Canyon residents, the three-story house burned to the ground leaving only the chimney standing.

Neighbors with pump cans strapped to their backs, fought the blaze which burned for three hours.

"We probably could have saved the house if we'd had water here," Holmes said. Canyon obtains all of its water from springs in the area.

Mrs. Holmes dashed through flames to rescue her 2-year-old son who had apparently overturned a kerosene heater touching off the blaze. Her hair was singed in the rescue. Mr. Holmes and three other children were outside the house when the fire started.

Dick Richardson, 19, volunteer member of the Orinda Fire Department, was the only person injured. He suffered a head laceration when he slipped on a steep hillside while carrying a hose.

The loss from the fire was estimated at \$20,000. The family escaped only with the clothes they were wearing.

Schools Play Basketball Game

A basketball game was played in the huge gym at St. Mary's College, Monday January 6 between Lafayette and Orinda.

The game was played before the game of St. Mary's and Menlo Jr. College.

The players on the Orinda team were David Cranston (who was high point man) center; Michael Elvidge, forward; Bob Diehl, forward; John Bowron, guard; and Mike Klements, guard.

It was a half hour game, and both teams fought to the very end. The climax was a 14 to 14 tie. — By Marianne Somers.

Orindans Inc. Re-organize and Make Plans for Coming Year

At an organizational meeting Monday night at the Grammar School some twenty-five persons gathered to re-activate Orindans, Inc.

Those attending voted to revitalize the group and an organizational plan was determined. Members voted to install in office for the current year those persons holding the various posts when the organization became dormant several years ago.

They are C. A. Coggins, president; Don Hunter, vice-president; and John Kennedy, secretary. Art Bowman was formerly secretary. The Board of Directors will include the officers, Stanley Allen, R. E. Wadsworth and one to be appointed.

NEIGHBORHOOD GROUP

Mr. Coggins said the group will consider problems affecting the area immediately east of Tunnel Road along Moraga Highway — primarily the Moraga Estates tract and contiguous area.

"We are not restricting our membership to residents of this area," Mr. Coggins explained. "Temporarily, at least, we will confine our activities to this area working on sewer and zoning problems."

The group collected dues and decided to hold meetings the first Monday of every month. The Board of Directors will meet ahead of time.

ZONING SUGGESTION

At Monday's session the group considered asking that Moraga Estates Tract be zoned for a minimum of one half acre, instead of 10,000 square feet as suggested by county planning technicians.

John Mason, resident engineer for the sewer district, discussed the sewer problems and assessment districts in an interesting talk.

RECEIVES AWARD

Edward H. Solinsky, 9 La Plaza has been awarded a gold pin for his ten years of continuous service with Standard of California, L. E. Hunt, Oakland District Manager, announced today.

Mothers Club Discusses Safety

School safety was discussed at the meeting of the Mothers Club Tuesday at the School.

The Club voted to send letters to the assemblymen for the area, about bus stops.

As their project for the year, the Club will donate a combination victrola and radio to the school. Rather than sponsor a dance to raise this money, each member plans to contribute \$1. Notices will soon be sent out to members not present at the meeting to inform them of this plan.

Mrs. George Klement reported on the money collected by the school children for foreign relief. Mrs. Lance Barden is in charge of this successful project.

Mr. Watson Died Of Heart Attack

As he was leaving the Orinda Theatre last week, accompanied by his sister, Mrs. Lillian Cinolla of Orinda, Walter Morgan Watson, aged 39, succumbed to a heart attack. Mr. Watson was a native of Lower Lake, California, but was residing with his sister at her home on Tunnel Road.

Upon his arrival, Dr. E. C. Gerow of Lafayette pronounced Mr. Watson dead.

Funeral services were held Saturday at 8 p.m. in the Guy and Blackwell chapel, with a second service in the Methodist Church in Lower Lake, California. Burial took place Sunday at the Lower Lake cemetery.

A native of Lower Lake, Mr. Watson had lived with his sister for six years.

In addition to Mrs. Cinolla, he is survived by two other sisters, Mrs. Myrtle Colburn of Garberville, and Mrs. Belle Chellice of Ocean Park, Washington; and two brothers, Norman A. Watson of Hayward and Lloyd A. Watson of Yreka.

Youth Damage Orinda Home

Windows were broken and furniture damaged in an Orinda home last week by a group of high school students who were reported to be under the influence of liquor.

The party was held by the 18-year old son of an Orinda family after his parents left home for the evening, according to Deputy Sheriff Clinton Jones. The party turned into a free-for-all after the youths consumed a total of eight quarts of whiskey, according to sheriff's reports.

Neighbors telephoned the Contra Costa sheriff's office for aid.

The youths stole a slot machine and two expensive pen and pencil sets and a portable radio. Police found the slot machine in the back yard of the home of one of the youths. This boy and a companion face possible petty theft charges in Contra Costa County.

Country Club to Elect Officers

Directors will be elected tonight (Friday) at 8:15 p.m. at the annual meeting of the Country Club. The polls will be open from noon until 8:00 p.m.

Following the meeting, a dance will be held, at no charge to members. Music will be furnished by a prominent name orchestra.

Katherine Bennett expects to be in her new home on Upper Charles Hill Road in a few weeks. She is the sister of Bob Bennett.

Orinda Association Elects Leaders For Coming Year At Monday Session

Ritchie Smith was elected president of The Orinda Association by the Board of Directors at its monthly meeting last Monday night.

Harold Ohleyer was named vice president and Clarence Betz was re-elected secretary-treasurer.

Seated as directors were Fred Elkinton, Jack Janse, C. E. Betz, and Harold Ohleyer.

Mr. Smith named outgoing president Edgar Stewart as chairman of the important Civic Af-

Margaret Rauch Tells Engagement

Margaret Rauch, daughter of Mr. and Mrs. Jess Rauch of Meadow View Road, recently surprised her sorority sisters at the University of Oregon by announcing her engagement to John Carmack, son of Mrs. Willa Cloy Carmack of San Carlos.

Margaret is an Alpha Gamma Delta and also a member of Phi Theta Epsilon, Jr. womens honorary at Oregon. She is the incoming president of Pan-Hellenic council.

John is a landscape architect major at the university and Margaret's major is general art. The couple plan to be married following Margaret's graduation next year.

Phi Epsilon Phi Sorority Holds Monthly Meeting

The Kappa Chapter of the Phi Epsilon Phi Sorority, an educational and intellectual organization of women, met at the Y.W.C.A. for their regular monthly meeting recently. Mrs. Marjorie McBroom presided. Mrs. Blanche James, the Educational Director, suggested topics for the next six months program.

Secretary, Mrs. Faye Wheat, announced her wedding on January 2, to Glen Marsh of Martinez.

Minutes of the Christmas Party held in December at Mrs. Jeanne Smith's home in Oakland were read, also, for the meeting held at Mrs. Miriam Bridwell's home in Orinda in November.

fairs Committee. Other chairmen appointed include Elkinton, community center; Hauser, editor of the Association's publication, The Orinda News; C. B. Chantler, safety, roads sewerage and zoning; Ohleyer, publicity and program, and Betz, membership and finance.

The directors, nominated by the Civic Affairs Committee, were confirmed by the Association members in a vote-by-mail election at year's end.

Woolsey Seeks 5-Birthday Week

The Woolsey Building in the Village is looking for a tenant whose birthday falls on January 16, so they can have at least a five day birthday party each year.

On Monday January 12, the party week began with the celebration for Warren Detloff of the Village Florist shop. Next day, Warren's partner, Bob Baker, did the honors and on Wednesday, Ernest Poll of the Village Cleaners blew out the candles on his birthday cake. Finally on Thursday Judy Woolsey, daughter of Leon Woolsey of the store bearing his name, celebrated her birthday.

Mr. Woolsey commented, "What we're looking for is a five-birthday week."

The Book Corner

By RUTH FLETCHER

Librarian, Acalanes High School

With the advent of Spring, the interest in Dude ranches runs high. Therefore, Rosemary Taylor's, the "Bar Nothing Ranch" (Whittlesey, \$2.75) will appeal especially to the young in heart. The author of "Chicken Every Sunday" leaves the comparative civilization of early Tucson for the wild, sometimes woolly, and always entertaining "76 Cattle and Dude Ranch".

The new Book of the Month club selection for January, "Rain-tree County" by Ross Lockridge, Jr. (Houghton Mifflin, \$3.75) is a portrayal of the daily life of Johnny Shawnessy which reveals the dramatic as well as trivial happenings in the lives that touched his.

A little bit of literary gossip is that Elizabeth Goudge has just completed the manuscript for

"Pilgrim's Inn" which will be the Literary Guild selection for April. This novel has all the heartwarming charm of her well remembered "Green Dolphin Street."

Fiction favorites of the best seller list this week include: John Steinbeck's new novel, "The Pearl"; Agnes Sligh Turnbull's delightful story, "The Bishop's Mantle"; James Hilton's continental tale, "Nothing So Strange" and Scott O'Dell's account of the days of the California rancheros, "Hill of the Hawk."

MRS. DUNCAN'S MOTHER

Mrs. Doris A. Futrell, the mother of Mrs. R. T. Duncan of Moraga Road, passed away Monday. Mrs. Futrell, who lived in Porterville, had been sick for some time.

The Duncan family immediately left for Porterville for services which were held Wednesday.

LEGAL NOTICE

NOTICE OF INTENDED SALE TO WHOM IT MAY CONCERN:

Notice is hereby given that on Saturday, the 31st day of January, 1948, at the hour of 10:00 o'clock A.M. of said day, the undersigned Vendor, ALLEN V. CAVE, residing at 28 Las Cascadas, Orinda, County of Contra Costa, State of California, intends to sell and will sell to JENNIE REYMANDER and ANGELA REYMANDER, Vendees, residing at Route 1, Box 194, Los Arabis, Lafayette, County of Contra Costa, State of California, that certain delicatessen business known as the Village Kitchen located at 57 Orinda Highway, in Orinda, County of Contra Costa, State of California.

The following is a general statement of the character of the merchandise or property intended to be sold:

Said delicatessen business including the good will thereof, stock in trade, fixtures, refriger-

ator show cases, scales, kitchen equipment, counters, cash register and all personal property connected with said business, and off-sale beer and wine license. There is no consideration for the transfer of said license.

That said sale will be closed and consummated and the agreed purchase price and consideration of said sale will be paid on the above date and hour at 57 Orinda Highway, Orinda, Contra Costa County, State of California.

Dated: This 13th day of January, 1948.

Another World War Not Imminent Except By Accident -- Dr. Kerner

Another World War is not imminent except by accident, although at present the great powers have reached a deadlock, Dr. Robert J. Kerner, declared Tuesday night when opening the Rotary Club's Acalanes Town Hall series at the high school auditorium.

"At the moment attempts are being made behind the scenes to bring about resumption of peaceful negotiations, but the hope for them is slim," the University of California History professor said in his lecture on "Europe in the World Crisis." "The deadlock may continue until either the Marshall Plan succeeds and the second wave of the world revolution subsides, as the first wave did after the first World War — or the reverse.

"From this is to be seen the importance of speedy and favorable action by Congress. With the fate of western civilization at stake, it is doubtful if the American people will allow anyone to play politics as usual."

Dr. Kerner, an excellent speaker, asserted that Russia is acting under the belief that the second wave of the world revolution is fully on its way. But fully 80 to 90 percent of the people of Eur-

ope are opposed to the spread of Communism.

This, he added, is the significance of the Truman Doctrine and the Marshall Plan.

Sewer Bids to Be Authorized

The Central Contra Costa Sewer District will authorize advertising for bids for Section 4 of the Sewer and the Sewage Treatment Plant at the meeting to be held Thursday night.

The District expects to receive bids around February 19, according to John Mason, Resident Engineer of the District. Section 4 runs from the eastern side of Charles Hill into Orinda. The sewage treatment plant is on the north side of the Arnold Highway, northeast of Pacheco.

KMS

WHERE WERE YOU when the lights went out? In the dark like the rest of us, no doubt.

Didn't it make you realize how dependent we are upon the constant presence of 120 volts? I counted seven appliances at home besides the lights that were in use at the time of the break in service last Friday, then laughed right out loud as I turned the magic knob that washed my dinner dishes — in a Kaiser Dishwasher, of course.

No electrical connections to this wonderful 24-hour kitchen helpmate is only one of its 22-point advantages. It works on the maid's day off, too!

The Kaiser Dishwasher operates on water pressure alone, fits into the smallest kitchen and budget, and saves, on the average for small families, one hour of tedious work, daily.

MRS. KIRK MILES, of Orinda, will now have more time to spend on the portfolio she is making to send to her sister-in-law in Switzerland, to keep her up-to-date on progress, products and prices here at home. Her capable husband has just installed a Kaiser chassis model in their tile drain, from Kilbourn Motor Sales, to be sure.

Please call me at Walnut Creek 3020 or Lafayette 4587 for a date in my kitchen and yours — mine for a demonstration (we can raid the "fridge" to dirty some dishes) yours to find a convenient place to put your Kaiser Dishwasher.

THIS IS NEWS

You know the old story, "Dog Bites Man" isn't news; however, the fact that Toddy, our 2½-year old, was bitten by a dog is news. Reason: Toddy usually bites dogs. Just his way of showing affection; he is just as likely to bite you as kiss you.

ANOTHER COMMERCIAL

When you finally realize that continued driving of the old clunk is costing more that it is worth (imminent repair bills, high gas and oil consumption, decreasing trade-in values, etc.), don't forget the hometown folks.

Kilbourn Motor Sales, midway between Lafayette and Walnut Creek, is your Kaiser-Frazer dealer, completely equipped to serve you. Remember, too, there is no city sales tax here.

Come in for entry blanks in the \$135,000 Kaiser-Frazer contest. It's worth entering.

PATTY K — "SIGNING OFF"

Redistricting Subcommittees to Meet Jan. 30 to Study School Boundaries

The subcommittees for Acalanes, San Ramon, and Mt. Diablo areas will meet separately January 30 to continue their study of school redistricting. The entire group will meet at Walnut Creek grammar school February 27 to consider specific recommendations.

The Acalanes Sub-committee met recently and formulated recommendations for six boundary changes. The recommendations were as follows:

1. Portion of the Cotton Tract and the Rheem (Sleepy Hollow) tract which lies north of Acalanes district be included in Acalanes. The property was sub-divided after formation of present districts and is inaccessible by road to any other district.

NATURAL BOUNDARIES

2. To move present boundaries between Walnut Creek elementary school and Lafayette elementary district to conform with natural boundary lines and to follow natural traffic outlets.

3. To move present Moraga-Orinda elementary school boundary as a projection of Orinda district in close proximity to the Moraga district boundary line to conform with the location of the school.

4. The Canyon and Moraga School districts should unionize. The sub-committee said this is desirable because of the inability of Canyon district to furnish a suitable site for a school and to furnish an adequate educational program.

NEW ADDITION

5. Approximately 30 acres of Mt. Diablo high school district west of Walnut Creek adjacent to the northeast corner of the Acalanes district become a part of Acalanes. Children in this area must cross a deep creek over an unsafe bridge and go across private property in order to reach the transportation point for the Oak Grove school bus. These pupils are now attending Walnut Creek Grammar school by permit.

6. North line of Acalanes district on Hedgewood road be moved 300 feet north of Hedgewood road, west to Sacramento Northern railroad, south along the railroad to

300 feet north of Walden road. This will eliminate duplication of both elementary and high school transportation. Pupils on one side of the road now attend one school and pupils on the other side another, requiring two districts to route busses along the highway.

OTHER RECOMMENDATIONS

The San Ramon group was in favor of unification within their own high school district, opposing unification of all three high school districts. The Mt. Diablo group sought more time for study before making concrete recommendations.

The members of the Acalanes district sub-committee are William Fleager and Richard Davis of Orinda; J. E. Hammond of Moraga; Bill Ellis of Lafayette; Neil Parsons of Acalanes; and J. W. Wendt and Sheldon Rankin of Walnut Creek.

Before final action is taken on recommendations of this group, the county committee acting as a whole must give its approval. Then the recommendations must go through a regional committee and before a state commission. Each district affected then must hold an election before these recommendations can be put into effect.

HOUSEGUEST

Houseguest, spending the week end at the home of Mr. and Mrs. Earl Creager of Moraga Road, was Mrs. Ruth Thornberry of Oakland.

TO POLITICAL MEET

Tom St. Hill this week attended the state meeting of the Republican Assembly in Pebble Beach. He was one of Contra Costa's delegates.

Keep it Clean

... with Bob Bennett

Recent findings of archaeological expeditions show that

man — which includes woman — was intended to stand on his — or her — two hind legs and walk in the sun. (Sun glasses came two or three million years later.)

Science and progress are really wonderful, because no sooner does an archaeological finding come over the teletype than zippo, you have a product that's right up to the minute.

THE LATEST PRODUCT WITH THE NEW LOOK was not created by Hattie Tappe or Lily Fredericks — it was created by the mop maker.

This new mop-thrill for your mopping pleasure is called a Nu-Art mop, and it was designed to get woman — which includes man — off his or her knees and bring her — or him — to a standing position.

Now that we are learning to stand on our two legs instead of four, we are crazy about Nu-Art because it is the most diversified one-unit tool we know of without being a gadget. The mop itself is made of the finest sponge rubber which acts as a vacuum for dry mopping or wet mopping. For putting on liquid wax there's nothing better. For washing the vast expanses of your modern windows — ditto. The wringer is the best wringer we've ever seen.

We demonstrate this mop all day and every day at 279 Mt. Diablo Blvd., free. Also for three box tops and an old shoe lace we'll give you a sample of Glid-n Liquid Cleaner, another valuable door prize.

Officers Elected At Last Meeting Of 12-15 Club

Officers for the coming year were elected at the meeting of the 12-15 Club held at the home of Mrs. Charles Malone recently.

The members elected to office were Mrs. Harry T. Doten, president; Mrs. Edwin Miller, vice president and sewing chairman; Mrs. Richard Hafner, secretary and treasurer, and Mrs. A. W. El-kinton, phone chairman. The duty of the phone chairman is to handle all calls from members not able to attend a meeting and report this information to the hostess for that meeting.

SEWING COMMITTEE

Mrs. Miller chose as co-chairman with her on the sewing committee Mrs. Arthur Smith and Mrs. M. H. Groves.

The next meeting of the club will be held at the home of Mrs. Richard Hafner January 27, at which time new officers will be installed and plans for the coming year will be formulated.

The business meeting consisted of reports of the past year. Letters of gratitude were read from organizations such as the Red Cross, the Salvation Army, to which the club had made donations.

HELP TO EUROPE

The club has been making con-

tributions to two families in Europe through "Care." Letters were read from these families telling of their appreciation for the help received. A subscription to the German translation of the "Readers Digest" is sent to the family in German of Mrs. Ben Seim, one of the Club's members. Mrs. Seim's niece wrote a very interesting letter to the Club telling how thoroughly her family reads the "Digest" and then passes it on to the school children.

Students Honor Former Trustees

In a surprise presentation from the Acalanes student body, four former trustees of the school were each given a blue woolen blanket, trimmed in white bearing a huge block "A" in the center at an awards assembly last week.

The assembly was called to give the high school's 1947 football squad members their block "A" letters for the past grid sea-

son.

Commended for their efforts in making Acalanes a reality during the past decade, the four ex-trustees were Warren Harrold of Orinda, C. C. Morse, formerly of Lafayette and now a Danville resident, Joe Bronson of Walnut Creek, and Joseph Lawrence of Walnut Creek.

Members of the Don varsity football squad were presented with block "A" letters by Coach Erwin Mattson. The "B" squad re-

Eagles to Hold Parade Jan. 27

President Woody Cowling of the Mt. Diablo Aerie Fraternal Order of Eagles announced that on January 27th the order would hold a Patron-Eagle and Gold

ceived 27 presentations. Coach Mattson in turn received an engraved plaque from the football team.

Rush Campaign parade at the Legion Hall in Lafayette.

Co-chairmen are E. M. Ernst and Bill Vincent. There will be a bean feed with entertainment and a parade through the business district. Delegations from Contra Costa and Alameda counties are expected to attend. The group will meet at 7:30 sharp.

Miss Harrison Arthur Granath Exchange Vows

Bernice Harrison, daughter of Mr. and Mrs. George Brockhurst of Orinda, was married to Arthur Granath of Lafayette Wednesday January 7. The wedding took place in the Plymouth Church in Piedmont.

The bride wore a two-piece suit of ashes of roses with a black hat and black accessories and was attended by Mrs. Gladys Sweet of Lafayette who is the sister of the groom. Mrs. Sweet wore a beige suit with black accessories. Both the bride and Mrs. Sweet wore corsages of orchids.

Mr. Irvin Hanson of Oakland was the best man.

The couple will reside in Orinda.

Judy Woolsey Gives Birthday Slumber Party

Judy Woolsey held a slumber party to celebrate her 14th birthday at her home on the Orinda Highway last Saturday night. The party which started early in the evening, lasted until 2:30 Sunday afternoon. According to Judy the girls got to sleep about 5:30 Sunday morning.

The following girls attended: Janet Chantler, Janet Jansse, Janet Woodmansee, Dorothy Jordan, Lou Clair Lutz, Jan Eggen, Claudia Grasse, Pat Cash, Nancy Tinkham, Joan Hughett, Judy Lee, Nira York, Valerie de Laneaux, and the hostess.

Don Varsity to Play Diablo Following Game Postponement

A packed house eagerly awaited the opening whistle of the Acalanes-Don varsity basketball game in the Dons' gym last Friday night only to have the lights go out at 8:50 p.m. ten minutes prior to starting time. This game will be played here on Tuesday at 7:30.

Earlier in the evening the Bees had gotten away to a flying start as they crushed a badly outplayed Concord five that weren't in the ball game after the Dons sprang to a six point lead in the first two minutes of play. Final score 29 to 11.

The win threw the local Bees into a tie with Crockett as Antioch pulled an upset and scored a win over their highly favored rivals.

Fans and players milled about in a darkened gym for 45 minutes before the affair was called.

CONFINED TO BED

Clarence Stanley, son of Mr. and Mrs. M. H. Stanley of Moraga Boulevard is at home again after undergoing an operation January 6, at the Alta Bates Hospital. Clarence is still confined to his bed, and is improving slowly.

ACROSS FROM FIREHOUSE

LAFAYETTE 2425

FROM THE SIDELINES

By Coach Erwin Mattson

The blackout at the local gym last Friday night was not the first in the school's history.

It occurred once before way back in those just after Pearl Harbor days of 1942.

The Dons and the Pirates were engaged in a league basketball tilt and the game was held up for better than an hour. No one could leave the building as a result of Army regulations and for a time it looked like an all night stand. Eventually the all clear signal came through and lights on enabled the varsity affair to finish close to the stroke of twelve.

Pittsburg won the affair by a one point margin and marked their only win in the Acalanes gym since play began in 1940.

COUNTY CAGE TALK

The Contra Costa County High School League took on a new turn as a result of the Don Bees dumping Diablo Bees while Antioch pulled an upset in taking the measure of John Swett.

The up and coming Dons are now in a tie with the Sugar City for first place. A championship for the locals would be the first in the Bee classification.

It's a long pull ahead and illness along with breaks of the game can and usually do upset the apperact. It's largely a matter of attitude and the will to win from here on in unless old man Accident and sickness should strike.

VARSITY BALL

The county varsity basketball picture promises to take a decided turn when Diablo and Pittsburg meet on the Concord court. Limited capacity means few outsiders will get in which is a disappointment in view of the fact that all other league teams take a bye plus the fact that Pittsburg and Diablo are both in the undefeated class to date.

HEAVY LOSS

It will be interesting to note the effect that the loss of Sam Gellepes will have on the Pitt team. He is lost due to the mid-term graduation. Gellepes was outstanding and had a league average of close to 20 points per appearance.

Diablo is also minus a star guard as John Guckeen left with his family for the northern part of the state.

Acalanes Varsity and Bee Hoopmen Trounce Fives from San Ramon

The Acalanes hoopmen rang up another dual win when San Ramon High of Danville came to town last Tuesday.

The Bees, paced by Lynn Amason with a lucky 13 points, won 42 to 30.

The varsity contest found Marshall Freeman, sophomore for-

ward, in the lime light as he bagged 7 field goals and hit one for two from the free throw line to end up with 15 points.

The game ended 59 to 27 with reserves well in hand of the situation. The first five had set up a comfortable 33-12 half time lead.

Acalanes Calls For Bids on Heat System in Pool

Bids for installation of the projected heating system for the high school swimming pool were called for this week by the Acalanes board of trustees, as architects' plans were received.

Construction will not be undertaken if the board considers contractors' estimates prohibitive. Neil M. Parsons, district superintendent, pointed out. Parsons cited as an example of board policy their withholding of tennis-court construction last year when estimates proved too high.

If bids are let, completion of construction, originally scheduled for early this year, is not now expected before late March or April, as a result of unavoidable delays in the preparation and approval of architectural drawings.

SUB-DISTRICT RALLY

The sub-district of the Methodist Youth Fellowship will hold its next rally at the Lafayette Community Church on January 30. The district included Antioch, Pittsburg, Walnut Creek, Pinole and Brentwood.

FRIENDSHIP CIRCLE MEET

The Friendship Circle of the Lafayette Community church held a meeting last week at the home of Mrs. Ralph Browne on Brook St. This group, which is composed of mothers with young children who find it inconvenient to attend other meetings in the afternoons, discussed their work project for 1948 to redecorate the primary department of the church. New curtains will be put up and chairs will be repainted. Mrs. E. E. Lee was cohostess at the meeting.

DAY AND NIGHT TOW SERVICE

GAVEY AUTO SERVICE

Auto Electrician — Body Repair — Paint — Towing

167 East Mt. Diablo Blvd.

Lafayette 2160
NIGHTS: Moraga 5966

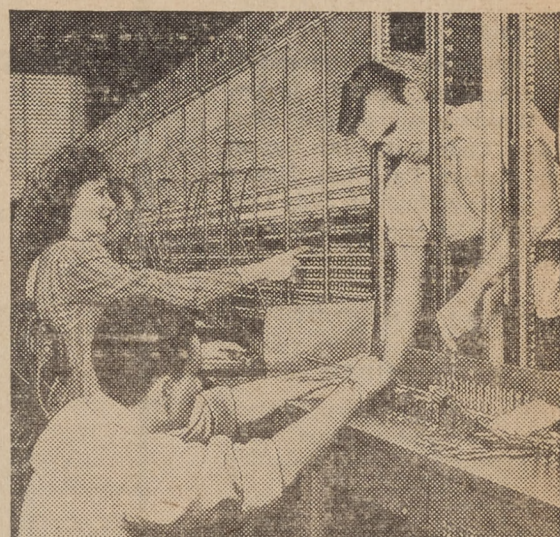

We've put in
2 1/4 MILLION
TELEPHONES
since V-J Day

1. We had to break records...and we did. Today we're serving over one-fourth more telephones than at the war's end—a net gain of three-quarters of a million. And, since every day many customers move, we actually had to install more than two and a quarter million telephones to make this gain.

2. Complex splices like this—thousands of them—went into the two million miles of wire we've put in. And that's only part of the story—more than 200 new buildings or additions...complex new switching equipment in almost all our buildings...these and other facilities are being added in the face of sharply rising costs and tough supply problems.

3. We're still working against time. Orders continue to flood in. To fill service needs we're adding facilities at the rate of more than half a million dollars a day—every day. A huge investment, yes. But telephones have been going in as never before in the West. And as the system grows, your telephone service becomes more valuable still.

4. Where does the money come from...millions of new working dollars needed to extend and improve service? Millions must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This requires the sale of our services at fair and adequate prices.

The Pacific Telephone and Telegraph Company

More than 65,000 people working together to furnish ever-better telephone service to the West

Three Acalanes Students Named to Represent Area in Speech Contest

Three students to represent Acalanes in the 1947-1948 Lions' Club speaking contest were chosen from 10 entrants at an intra-school elimination held last week.

The three students, Maureen Rucker, Bill Morrish and David Hudson, were judged by Lily Lahiti, dean of girls, Neil Parson, principal, and Baxter Geeting, speech coach.

The next stage of the contest will be the Community elimination to take place the last of February. The three students chosen from Acalanes and representatives from San Ramon Union High School will be the contestants, each to represent his community.

The judges, who will be local Lions Club members, will choose one winner, who will go to the regional elimination.

The winner of the regional contest will go to the Lions' club spring conference, that is to be held at Hoberg's in California. The one winner of the Spring Conference will be a contestant for the finals to be held at Long Beach June 24.

The topic for the eleventh annual speech contest sponsored by the Lions clubs of California and Nevada is: "Do Frontiers of Opportunity Still Exist for American Youth?" The prize is a \$600 scholarship to any college or university.

Other participants of the contest from Acalanes were Frank Jessor, Barbara Anderson, Jim Muldoon, Ann Fleager, Lee Messick, and Joan Herrick.

RECUPERATING

Mr. William B. Parker of 62 Beechwood Drive is recuperating at home after undergoing an operation at the Herick Memorial Hospital in Berkeley.

AT HOME AGAIN

Mrs. Mary E. Irvine, wife of Nat Irvine of Upper Happy Valley Road is at home again after being confined to the Herick Memorial Hospital for a few days.

Moraga Mothers Plan Leap Year Dance for Feb. 14

Plans for a Leap Year Dance to be held February 14 were made at a recent meeting of the Moraga Mother's Club.

The Dance will be held at the Moraga School starting at 9 p.m. A six-piece orchestra will provide the music and the refreshment hour will be from 11 to midnight, followed by another hour of dancing.

Discussed at the meeting were plans for the Spring Fair to be held at the school in April. "This promises to be something novel in the way of community entertainment," Mrs. Bernhard Franklin, publicity chairman, said.

Mrs. Mae Turnipseed read a brief synopsis of the play, "How the Story Grew," at the meeting. The cast was selected and rehearsals will begin shortly.

After the business meeting a stork shower was given for Mrs. Frank Telut. The next meeting of the club will be held Thursday evening, February 5 at 8 p.m. at the school.

John Nordens Proud Parents of Baby Boy

Mr. and Mrs. John Richard Norden are the proud parents of a baby boy, born Tuesday morning, January 20, at the Permanente Hospital in Oakland.

The baby, John Richard, Jr., weighed 6 lbs. 8 ozs. at birth.

Mr. and Mrs. (Jack) Norden reside with Jack's parents Mr. and Mrs. Edward Norden of Orchard Road. The grandparents are very happy over the arrival of their first grand-child. Mrs. Jack Norden is the former Ann Sellick of Walnut Creek.

The law, as well as common sense, requires that drivers stop for school buses.

Three New Cubs Inducted in Pack

Three new cubs were inducted by Den Chief Kay Dana at the Cub Pack meeting of January 9. They were: Bruce Barden, Den 6; Charles Baird, Den 4; and Larry Halter, Den 15.

The Peace Pipe for attendance was won by Den 12. Officers of the executive Committee were introduced for the coming year. They are: Ed Deemer, Chairman; Jack Pahl, Publicity; Leonard Jones, Den Mothers Advisor; and Fred Stymans and Howard Schorr, Activities.

Assistant Cubmasters are: R. A. Van Horn, Awards, Den Dads; D. C. Allison, Graduations, Cubs birthdays; and Harry Meinbress, Den Chief Advisor.

National Scout week will be held February 6 to 12th. The Cubs will attend Mission Covenant Church at 11 a.m. February 8 at the Legion Hall. In addition to these activities, the Cubs have put up a window display at the Lafayette Emporium.

At the meeting Dens 2 and 5 put on a skit under the direction of Den Mothers, Mrs. De Villers and Mrs. Anderson. The movies shown at this meeting were two sport and one comic picture.

Book Section to Meet Next Tuesday at Two

The Book Section of the Lafayette Forum will meet next Tuesday afternoon January 27 at 2 o'clock in the hall of the Community Church. Mrs. H. N. Hansen will review Strange Life of Ivan Osokin by P. D. Ouspensky.

Tea hostesses for the afternoon are Mrs. F. M. Steers and Mrs. Karl Pape.

CANYON CATTINGS

Mr. and Mrs. Ray Jacobs have moved to Lafayette where they have bought a home.

Mr. Allen Crawford has returned home after spending a few days in Fresno attending the Lions Convention.

Mr. Ken Lee, from Allegany, Oregon is visiting with Mr. and Mrs. Gordon Wilkinson for a few days.

Barbara DeTar spent the week end visiting Janet Pine.

Mrs. Ellen Price, of Fresno, has been visiting her son, Homer Price, and family.

Mrs. Noel Kading of Boyes Springs was visiting her sister, Mrs. Beryl Burpee.

The Malvey children Patsy, George, Mike and Maureen are home with the flu. We hope they will be well soon.

Mr. and Mrs. Robert Heighway, of Petaluma are visiting their son and family here for a few days.

Pete and Gertrude McCallum and Bob and Helen Heighway spent the week end at Ice Lake. Hope they had enough snow so they could ski.

What Lafayette People Are Doing

Youth Fellowship Holds Ice Skating Party

An ice skating party was given by the local Methodist Youth Fellowship last Friday evening at the Oakland rink.

The group included Chrisie Inman-Kane, Robert Carlise, Gwen Ralph, Donald Duncan, Ronald Tinney, Shirley DeTar, Rose Marie Williams, Jessie Gerald, Bill Janzen, Barry Williams, Katherine Lyser, Elizabeth Bahls, Jane Ann Westfall, and a large turnout from the Walnut Creek fellowship. Cars of the Inman-Kanes, Westfalls, and Williams were used for transportation.

Gwen Ralph, Robert Carlise Celebrate 17th Birthdays

In honor of the birthdays of Gwen Ralph and Robert Carlise, which fall on January 23 and 25 several members of the local youth fellowship are planning to go, Jan. 24, to the Geary theater in San Francisco to see "His Masters Chair."

Planning to attend are: Marie Hansen, Rose Marie Williams, Don Duncan, Bill Yitt, Ed Rowell, Jane Ann Westfall and of course the host and hostess for the evening, Gwen and Robert.

Parents from New York Visit Robert Dades

Mr. and Mrs. Jesse E. Dade of Minneola, New York, are spending the winter at the home of their son and family, Mr. and Mrs. Robert E. Dade of Beechwood Drive. They are also visiting Mr. Dade's sister, Mrs. John Lucy of Keith Ave., Oakland.

Mr. Dade is a partner in the Dade Bros., Inc., aircraft specialists in moving airplanes and parts requiring technical knowledge and skill. There are also branches of the company in New Orleans and Alameda in addition to the main plant in Minneola.

Dental Alumni Plans to Meet

Alumni of the College of Dentistry, University of California, will hold their 52nd annual meeting here in the St. Francis Hotel, January 25 and 26.

The program will feature lectures on the latest developments of dental medicine and dental techniques as well as motion pictures, demonstrations, and a round table discussion by five orthodontists based on 200 questions from dentists stating what they want to know about orthodontia.

Planning to attend the meeting from Lafayette are: Dr. Dana A. Hamlin, Dr. Benjamin Tofflemire, Dr. Newell K. Wilson and Dr. C. M. Johnson.

WITH GRANDPARENTS

Susan and Richard Donald were visiting for a week at the home of their grandparents Mr. and Mrs. Ed Donald of Moraga Boulevard.

Women's Group on Real Estate Board to Meet

The Women's Division of the Contra Costa Real Estate Board will hold their next regular meeting at 12 noon at El Nido on January 29.

All women board members are urged to attend. At this meeting, the new by-laws will be read and voted upon.

DINNER GUESTS

Mr. and Mrs. Gilbert Myers and Mr. and Mrs. L. A. Conklin of Glenside Estates were guests at the home of Mr. and Mrs. M. Donner of San Francisco last Thursday evening, and afterwards enjoyed a performance of Katherine Dunham in the Bal Negre which is playing in the city.

100 YEARS of PROGRESS in WATER POWER

SUTTER'S SAWMILL is the symbol of an epochal event in the history of California and the Nation—James W. Marshall's discovery of gold at Coloma on January 24, 1848. California's early growth and prosperity stemmed from this event. And here was the earliest development of the water power one of the earliest developments of the water power which, applied to electric generators, turns the wheels of industry today.

At Sutter's sawmill a small, wooden flutterwheel was fed by a plank flume 10 feet wide by 50 feet long to drive an upright saw through sugar pine logs. Fascinated Indians watched the saw go up and down and said, "Bueno, bueno".

Today in the high Sierra above Coloma, along the Mokelumne, Feather and Yuba rivers, Pacific Gas and Electric Company is rushing construction of five great electric plants at a cost of 85 million dollars. Here batteries of giant steel water wheels will spin generators to produce 464,000 horsepower of electricity. Here again are foresight and water power teamed up to make life and work better in California by producing an abundance of electricity at low cost and delivering it to the people by a service that we hope will always merit a sincere "bueno".

P.G. and E.

PACIFIC GAS AND ELECTRIC COMPANY

One of six 33,300 pound water wheels now being installed in the Elverta Powerhouse on the Mokelumne River. 43,000 feet of 12 by 15½ foot tunnel will bring water to the new powerhouse. This new plant with a capacity of 133,000 horsepower is scheduled to be in operation this summer.

Your Garden IN LAFAYETTE AND ORINDA

BY
CONSTANCE HANSEN

Like the "Standard Hour", this column is yours. You, gardeners, especially those who are new to this area on the sunny side of the Berkeley Hills, are invited to send in your garden questions or problems to the office of the Sun or directly to me and I will do my best to answer them myself or find an authority who can. Questions and answers will be printed in the column.

If you are an experienced gardener who has solved most of his own problems, how about letting the rest of us in on some of your gardening secrets or short cuts. If you have a better or a different way of growing something than the way I describe, let's hear about it. If you have suggestions for subjects you would like to see discussed in the column, send those in too.

I plan to follow a fairly regular sequence in the column each month; that is, a certain phase of gardening will be covered each week. The first week the space will be given over to the garden calendar, or what to do, and occasionally what not to do, this month.

One week's column will consider cultural methods for particular plants, another will be given over to reports on gardens of this or neighboring regions, and here again is a chance for you gardeners to help make it interesting by letting me know about any new wrinkles you have developed in the line of barbecues, paving, fences, and so on that might give others ideas to use in developing their own home grounds. Space will also be given to garden shows, new or unusual plant material, garden gadgets, and books.

Garden Calendar for January

Since this is the first appearance of the column, though not the first week of the month, here is an outline of what to do for the rest of the month.

This is the time to prune roses and deciduous fruit trees. Leave your deciduous spring-flowering shrubs alone until AFTER they blossom, or you throw away a lot of your flowers. This includes such things as spiraea, snowball, weigelia, and deutzia.

This is the last chance for dormant or winter-strength sprays of lime sulphur or winter oils. In mixed ornamental plantings be sure the winter sprays do not hit the coniferous evergreens, such as junipers and arbovitae, as these are especially sensitive to oil. Spray now with lime sulphur, Bordeaux mixture or other copper fungicide for peach leaf curl. Follow the directions on the container for dilutions to use.

MOVE SHRUBS NOW

Now is the best time to move shrubs, as they are about as dormant as they get during the year. It's also a fine time to set out new trees and bushes, since the sooner they are planted, the better chance they have to get established before another dry season sets in. Early planting saves time later on, because the plants have time to develop a better root system and thus will not require so much water during the dry season as those set out later.

Certain winter vegetables, such as peas, radishes, lettuce and other greens sown now will virtually produce a crop by themselves if we have enough rain. Hardy annual flowers such as larkspur, clarkia, alyssum, bachelor buttons and so on, will also give a good account of themselves if sown now where they are wanted to grow.

If you are a patient gardener who likes to grow his own plants, you can have a lot of pleasure growing some of the small-leaved conifers from cuttings, as no fancy equipment is needed, just a shady spot, some sand, and a little care to see that the cuttings don't dry out during the approximately three months they take to root.

HOW TO DO IT

Dig a hole 6 or 8 inches deep and across in a sheltered place, fill with sand, and insert the cuttings of junipers, cypress or arbovitae an inch or so in the damp sand. I have the best luck with small side shoots 3 or 4 inches long which are pulled, rather than cut off from the parent branch, so that there is a heel of the old wood still attached to the shoot.

Rose cuttings can also be started this month. Use pieces of about the thickness of a pencil, having preferably four buds. Cut the stem sharply across just below the bottom bud and insert the cutting into the sand or light soil at an angle, leaving one bud above ground.

Gladioli are flowers that return large dividends for little work, and now that thrips can be so effectively controlled by DDT we shall probably see them more widely planted. They are comparatively inexpensive, multiply rapidly, and are wonderful for cutting. Those planted this month

require the least spraying for thrips.

BULBS STILL GOOD

If you happen to have daffodil or tulip bulbs still on hand which you didn't get around to, or forgot earlier, don't throw them away, as they will still be good if planted right away.

Do the weeds bother you? They do me, too, and the way I keep them down where the soil is too wet, or there is some other reason for not being able to turn them under, is to cut them as low as possible with a sickle.

I hand weed around newly set shrubs in order to see where they are, and not behead them along with the weeds. Around walks and driveways the quickest way to weed is to sprinkle or spray on weed killer, taking care not to get it on any of the ornamentals.

It's a good idea to keep one sprayer for this purpose alone, as some weed killers are very difficult to remove entirely from the sprayer, and may cause trouble later when it is used to spray pests on garden plants.

Last of all, take time to read and enjoy the new catalogues which are coming in with their mouth-watering illustrations of "out of this world" fruits and flowers, and if you are going to need new roses or fruit trees, decide on the varieties now, so you can buy them as soon as possible, as the first comers get the finest plants.

American Trust Tells Promotions

American Trust Company held its annual Stockholders' Meeting Tuesday, January 13, at its Head Office in San Francisco. All directors and officers were re-elected.

President James K. Lohead reported that 1947 was a year of continued growth for the bank. Regular deposits on December 31 totaled \$945,510,779.79, a gain of approximately twenty-one million dollars for the year, allowing for a reduction of \$10,600,000.00 in Government War Loan deposits.

The following promotions were announced: Assistant Vice Presidents, George F. Stier, Real Estate Loan Department, Walter J. Grierson, San Jose Office; Assistant Vice President and Manager Credit Department, Charles H. Lloyd; Assistant Managers, Edward Fratini, Petaluma Office, Herbert C. Kindred, Mill Valley Office; Assistant Cashier, Charles N. Varni, San Jose Office. F. Raymond Burrell, General Operations; Assistant Controller, William F. von Bremen; Assistant Auditors, J. Raymond Rowley, Lenus J. Cardozo, E. Eugen Rowe and G. Niemann.

The law, as well as common sense, requires that drivers stop for school buses.

Clipper Club Board Meets

The Clipper Club Executive Board met Tuesday night at the home of Kirk Miles on La Plaza. This was the first meeting of the year with the new officers.

The group formulated plans for the coming year. Arrangements will be made for outstanding speakers at future meetings.

The Clipper Club is growing rapidly with 52 members present at the last general meeting at the William Penn Mott Jr. home on January 9. Nineteen of those present were guests of club members.

Officers present at the Board meeting Tuesday night were Mr. and Mrs. Ken Beeman, Mr. and Mrs. Frank Hight, Mrs. Richard Hafner, Mrs. Ralph Phelps, Mrs. Al Meyer, Mrs. Forrest Honnold, and Mr. and Mrs. Kirk Miles. Rev. Fred Morrow and Mrs. Wesley Hoecked also attended the meeting.

BUILDING HOME

Robert Klemmedson is now building a home on El Gavilan. The family started this project last Saturday.

TO CARMEL

The W. E. Vaughns on Estates Drive varied their weekly routine with a trip to Carmel Valley Inn last Saturday and Sunday.

LEAVES FOR OHIO

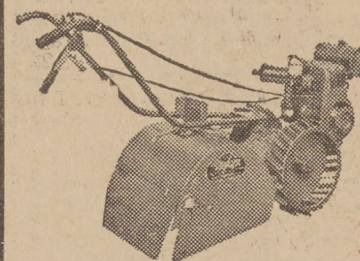

Mrs. George Hartzell of Crestview Drive left on the streamliner early Tuesday morning for Ohio. She left because of the illness of her mother.

VISIT COUSINS

Sarah Jean Kittredge, daughter of Mr. and Mrs. Ernest Kittredge of Brook Street spent two weeks in the mountains visiting her cousins, Mr. and Mrs. C. Sigford of Camptonville, California.

LEGAL NOTICE

NOTICE OF SALE OF ORINDA UNION SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed bids will be received up to the hour of eleven o'clock A.M. on Monday, the 9th day of February, 1948, by the Board of Supervisors of the County of Contra Costa, State of California, at their chambers in the Hall of Records, City of Martinez, County of Contra Costa, State of California, and at that time publicly opened and read, for the purchase of bonds of the Orinda Union School District of the par value of One Hundred Thirty-five Thousand Dollars (\$135,000). Each of said bonds will be dated the 1st day of March, 1948, and each bearing a

rate of interest not to exceed five per cent (5%) per annum, payable annually the first year said bonds have to run, and semi-annually thereafter, on the 1st day of March and on the 1st day of September of each year, both principal and interest to be payable at the office of the Treasurer of Contra Costa County. Said bonds will be One Hundred Thirty-five in number, and of the denomination of One Thousand Dollars (\$1,000.00) each, and will mature and be payable as follows, to-wit:

Inclusive	Denomination	To Run
1-6	\$1,000.00	1 year
7-12	\$1,000.00	2 years
13-18	\$1,000.00	3 years
19-24	\$1,000.00	4 years
25-30	\$1,000.00	5 years
31-37	\$1,000.00	6 years
38-44	\$1,000.00	7 years
45-51	\$1,000.00	8 years
52-58	\$1,000.00	9 years
59-65	\$1,000.00	10 years
66-72	\$1,000.00	11 years
73-79	\$1,000.00	12 years
80-86	\$1,000.00	13 years
87-93	\$1,000.00	14 years
94-100	\$1,000.00	15 years
101-107	\$1,000.00	16 years
108-114	\$1,000.00	17 years
115-121	\$1,000.00	18 years
122-128	\$1,000.00	19 years
129-135	\$1,000.00	20 years

Said bonds will be sold to the highest and most responsible bidder for cash and lowest net interest to the district, not to exceed five per cent (5%) per annum, as aforesaid.

Said bonds will be sold for cash, lawful money of the United States, for not less than par and accrued interest to date of delivery, and each bid must state that the bidder offers par and accrued interest to date of delivery and state separately the premium, if any, offered for bonds for which the bid is made.

Certified or Cashier's check for a sum not less than five per cent (5%) of par value of bonds bid for, payable to the order of the Treasurer of the County of Contra Costa, State of California, must accompany each bid as a guarantee that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his said bid, and upon failure to comply with said bid, said check will be forfeited as liquidated damages for such failure.

Said bonds will be ready for delivery on or about Monday, March 22, 1948, and will be delivered at the office of the Treasurer of Contra Costa County.

The Board of Supervisors reserves the right to reject any and all bids, and the bonds herein referred to were voted for the purpose of raising money to be used for the purchasing of school lots; the building or purchasing of school buildings; the making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs; the repairing, restoring or rebuilding of any school building damaged, injured or destroyed by fire or other public calamity; the supplying of school buildings with furniture or necessary apparatus of a permanent nature; and the permanent improvement of the school grounds.

The Orinda Union School District was constituted and established by order of the Board of Supervisors of the County of Contra Costa, on July 1, 1924, and since said date has been continuously a school district under the laws of this State.

The assessed valuation of the taxable property of the Orinda Union School District, as shown by the last equalized assessment Book of said County of Contra Costa is Five Million, One Hundred Fifty Thousand, One Hundred Seventy Dollars (\$5,105,170.00), and that said Orinda Union School District has an outstanding bonded indebtedness of One Hundred Twenty Thousand Dollars (\$120,000.00).

Complete statistical data with regard to the district is available to all interested bidders, on request, at the office of the County Auditor, Martinez, Contra Costa County, California, Telephone Martinez 1240.

The legal opinion of Messrs. Orrick, Dahlquist, Neff, Brown & Herrington of San Francisco, California, as to the validity of said bonds, will be delivered to the successful bidder free of charge.

No conditional bids will be considered.

Dated: Martinez, California, January 12, 1948.

Eight Brownies Ushered into Troop At Meeting Last Week at Park Pool

What better evidence could we have of the rapid but healthy growth of Orinda that the investiture on Thursday, January 15, of Girl Scout Troop 45 composed entirely of newcomers.

The leaders, Mrs. Brent Inman and her assistant Mrs. J. E. Rauch put eight little Brownies through the ceremony of "Twist me, turn me, — look in the peel and whom do you see?" which ushers them into the troop. One little unfortunate was ill and could not attend.

Mothers and grandmothers were present at this proud occasion and delighted with their daughters' skillful serving of refreshments following the meeting which took place at the Park Pool.

MAKING LAYETTES

Troop 30 are Girl Scouts rapidly developing all the skills attributed to Scouts. They are entering most enthusiastically into a new project of making and collecting the necessary garments to complete a layette kit toward the National Girl Scout movement to provide 100,000 clothing kits for Europe in 1948. Troop 30 meets as a body at the home of Assistant Leader Mrs. Chester Pyle on Moraga Highway next week to sew on the square diapers and muslin shirts requested for these kits. A number of the girls are already busily knitting sweaters or sewing on bibs and wrappers at home.

Their leader, Mrs. Donald Krotz, asks that anyone having used baby garments in good condition to donate to this cause please call her, Orinda 2045. Gauze diapers cannot be used but receiving blankets, crib blankets and flannel garments are especially requested.

ially requested.

HEAR MRS. TURNER

Thirty five or forty women affiliated with the Girl Scout movement either as leaders or committee members came away from their meeting at Mrs. G. O. Knudsen's last Thursday inspired by the moving words of Mrs. Edna Turner to make even greater efforts toward a well rounded program of mental and physical development through Scouting.

Mrs. Turner is a child psychologist of wide experience in youth counseling and is at present employed by Contra Costa County Educational Department as a Child Welfare and Guidance Supervisor. She offers her audience a clear picture of the progressive development of the individual spotted with check lists that can be most helpful in evaluating the all 'round picture.

New Scouts Join Explorer Post

Three new Scouts were recently accepted into Orinda Explorer Post 300. They are Dick Breuner, John Engelsman and Bob Symes. Post 300 boasts a membership of 12 including four Eagle Scouts. They are Boyd Wickman, Kai Erikson, Dick Laney and Wilbur Twining.

Besides weekend activities of ski trips, canoe trips, hunting and fishing trips, socials and dances, the Post has an annual trek into the High Sierras.

Under the guidance of Post Advisor Wilbur Twining the unit meets Wednesday evenings at the new Orinda Scout House.

— This is to fill space. —

TO HONOLULU

Mrs. Paul Rice Isenberg, 46 Camino Lenada, had a rough time of it these last few weeks what with packing and crating, crating and packing, but her efforts have been well rewarded. She has just finished supervising the moving of her daughter and three small grandchildren to Honolulu, bag and baggage, and is now there with them basking in the delightful atmosphere of the Island City. Mrs. Dora Jane Cole, Sally Jane, Dan, and Joseph Jr. have been staying here in Orinda with Mrs. Isenberg for the past year and have gone to Honolulu to set up residence with Mr. Cole who became an operator of inter-island cruises right after his release from the Navy.

RETURN FROM ISLANDS

Mr. and Mrs. Ken Courtright drove down to Los Angeles last week to meet the Matsonia which arrived at Wilmington from Honolulu early Saturday morning. Aboard the steamer were Mrs. Courtright's mother, Mrs. Hannah Samuels, and Carola Courtright. These two seafarers had just returned from an eventful and glamorous visit with Colonel Andrew Samuels who is stationed at Scofield Barracks on the island of Hawaii.

EVENTFUL TRIP

Lester Elkinton likes flying the Pacific better than sailing it, and he should know because he has crossed it both ways. Lester left for Honolulu via Pan American Clipper the first day of Christmas vacation and just recently returned to San Francisco on the Matsonia. While in the islands, Lester was the guest of Mr. and Mrs. Warren Small.

ter was the guest of Mr. and Mrs. Warren Small.

It might be called a reciprocity visit since Mrs. Small's daughter, Irene Harrison, had stayed with the Elkintons in their Danville home last Fall. Lester made several inter-island tours to Hilo and Kona Inn and is now showing some excellent pictures around town, excellent in spite of the fact that he forgot to take along that indispensable gadget called a light meter.

ON SNOW TRIP

The Wm. Penn Motts were the instigators of a snow trip to Strawberry Lodge in El Dorado County last weekend. Mr. and Mrs. Mott and six other couples from the Bay area drove up Hangtown Way for a bit of sledding and skiing, but had to proceed as far as Echo Lake before hitting snow. For the information of snow enthusiasts, the fluffy white stuff cannot be found below an altitude of 6500 feet — til the rains come.

LEAVES FOR VERMONT

Kai Erikson, son of Mr. and Mrs. E. H. Erikson of 25 Hacienda Road, left last weekend for New England where he will finish high school in Putney, Vermont. The Putney School offers a very practical course in farming techniques along with the standard academic subjects.

LIONS CONFERENCE

Several Orinda Lions attended the Lions Midwinter Conference at Fresno last Friday and Saturday. A very good time was had by President Dick Graffis, Secretary Walt Friberg, Paul Vashell and Al Eberlin.

Benefit Performances of Dramateur Play to Be Sponsored by Lions Club

Two benefit performances of "The Whole Town's Talking" will be staged by the Orinda Dramateurs on January 30-31st in the Orinda Grammar School. This repeat production is in response to popular demand and is being sponsored by the Orinda Lions Club.

The Lions Club will use proceeds for the benefit of community projects. One such project will be a new basketball court for the Orinda Grammar School.

The cast will remain intact for the coming shows.
